## ANPOR Event Planned

The ASEAN Media and Communication Studies and Research Center (AMSAR), School of Communication Arts, University of the Thai Chamber of Commerce is hosting an international conference in co-operation with several other organizations and institutions, including ANPOR. The conference is titled “Transforming

Communication Landscape: Lessons from ASEAN+.” The conference will be held April 9-11, 2014 in Thailand. The conference is organized in conjunction with UTCC’s 50th Anniversary, with a focus on the impact of digital technology on our society and the development of a new digital civilization. The conference proceedings will be published online. The

deadline for submitting abstracts is March 1. We hope that as many ANPOR members as possible can participate in this conference.
